The Sunday School Ministry Team is excited about sharing the good news of Jesus and being involved in your child's spiritual journey. We would like to take this opportunity to share information that will help Sunday school run smoothly, creating a stable learning environment.

- **Check In-** We will be ready to accept children 10 minutes before each service. Please do not drop children off before that time. Check your child in on the clipboard for their age/grade, then locate their nametag and put in on your child. Walk them to their area in the large gathering area, which is marked by signs hanging from the ceiling.
- **Check out-** Children will be checked out on the clipboard in their assigned room. We ask that children be checked out by an adult, no an older sibling. Please pick up your child immediately after the service- our Sunday School Teachers also need to pick up their children from the nursery, or meet their family to worship as well as clean up the classroom. Thank you so much for this!
- Most Sundays there will be a "Taking the Lesson Home" Parent sheet available to you at Check Out that provides tips and information that you can use to develop a Church/Home connection.
- We will pass a basket for offering each Sunday. This is a great way for children to understand the concept of tithing. The money will go to an outreach program.
- We expect our TLC! Children to show respect to God's House as well as each other, and the Teachers. Please note the sheet about Expectations.

Please feel free to contact me with questions! I am excited about all that God has in store for our children !
