

**Week 22– 02/16/11**

**Scripture Verse:** John 3:16

**Bible Story:** God's love for us

**Character Quality:** Love – To care deeply for God and others.

## Family Follow Up

Although we don't know what heaven will be like, we do understand that heaven is a wonderful place. But we don't have to wait until we reach heaven to enjoy God's goodness. As a family, discuss the good things God has done for you. Do you know someone who is going through a difficult time? Do something for that person and their family. Maybe you'll also get an opportunity to share God's love with them.
