

**Week 21– 02/09/11**

**Scripture Verse:** Genesis 37:7 – 45:15

**Bible Story:** Joseph and his Brothers

**Character Quality:** Forgiveness – To let go of your anger or ill will for someone.

## Family Follow Up

The story of Joseph is a good example for families. Families should be encouraged to discuss the lesson and talk about getting along with each other. Families need to take time to tell each other they are loved. Go on a family outing to a park or quiet place. List the good things about your family. Make some family goals: memorizing a chapter of Scripture, saving for a dream vacation, or doing something special for your neighbors.

**Theme for next week:** Chocolate Night – YUM!
