What have you heard about Kids of the King Day Camp and what is your main reason for applying for employment?

Kids of the King seeks to be a ministry to children as well as a service to parents and our community. Please share your personal faith story.

How do you hope to share your faith while working with the children and their parents?

You may be expected to prepare a Bible lesson for the children at least once a week. In what fellowship groups or Bible study groups do you participate? Have you ever lead the lesson for one day?

As an outreach to our community, we have the potential to be ministering to many different groups of children. Do you have any concerns or feelings about working with a diverse population?

What positive and/or negative experiences have you had in working with children and adults in a leadership role?

List any gifts or special talents not covered in this application that you would bring to your staff? (Musical or artistic gifts, athletic abilities, etc.)

Have you had any first aid or lifeguard training? _____

For your own safety, do you have any allergies or medical concerns that may interfere with performing your job safely?

Have you ever been convicted of a felony? _____ If yes, please attach a detailed explanation.
