

**Week 24– 03/02/11**

**Scripture Verse:** Acts 16:11-15

**Bible Story:** Lydia

**Character Quality:** Respect – To treat someone with honor.

## Family Follow Up

Parents and kids need to go over rules for their home often. Kids need to remember that their parents run the show! Talk about ways your kids can show you respect as well as ways your kids can show each other respect. For example: sharing the remote control with siblings, setting the table the FIRST time mom asks, letting a sibling have the window seat in the car, asking for permission to get a cookie instead of just taking one, etc.
