

**Week 15– 12/15/10**

**Scripture Verse:** Luke 7:36-40

**Bible Story:** Women Who Was Forgiven Much

**Character Quality:** Compassion – is to show deep concern and sympathy for another person.

## Family Follow Up

Give your child some examples of situations where other people have needed help and ways they might help. Some situations are: seeing someone at the lunch table with nothing to eat and then offering to share their lunch or watching classmates tease another student and then stepping in to share kind words. Most children can tell you a time when someone was compassionate to them, so encourage them to look for ways they can share that same concern for others in their live this week.
