

Week 31 - 05/04/11

Scripture Verse: Matthew 6:25-34

Bible Story: The Sermon on the Mount

Character Quality: Contentment – To be satisfied being who you are and with what you have.

Family Follow Up

Think of a time when your family was going through something sad – maybe when a pet died or when someone in your family was sick. Encourage your children that God was with your family then. Now think of a time when your family was happy – like when a baby was born or when your child did well on an assignment at school. Let them know that God was with your family too. Children understand concepts better when they can relate it to something tangible and concrete.

Theme for next week: Remain in Me – Spending Time with Jesus This Summer
